

EDUCATION

- **Universidad Autónoma de Madrid** Madrid, Spain
Bachelor of Mathematics 2016 – Present
- **UNED** Madrid, Spain
Bachelor of Philosophy 2016 – Present
- **Languages**
Cambridge Certificate of Proficiency in English 2014

EXPERIENCE

- **European Summer Programme on Rationality (ESPR)**
Counselor 2017 - Present
 - **General:** ESPR is a camp for bright students which I helped organize and run for the past 2 years.
 - **Probability theory:** Taught *Probability and the case for betting*.
- **EA Hotel Blackpool**
Guest September 2018
 - **RCT:** Worked on a randomized controlled trial for ESPR. Mentioned in *The Times*
- **Art of Problem Solving**
Grader. 2018 – Present
 - **Feedback-giving:** Graded problems by aspiring math olympiad participants

RELEVANT SKILLS

- **Languages:** C, R > Python > Haskell. Though the language I am most familiar with is C, I can and I have picked up other languages, i.e., R within ~ 1 week, as needed.
- **Other programs::** Latex & Microsoft Excel are not a problem, though I prefer open source programs.
